Landstar’s safest owner-operators were honored during the 5th annual Landstar BCO All-Star Celebration held in Orlando, Florida, July 1st – 3rd.

The three day event at the Orlando World Center Marriott featured food, friends and fanfare, including an awards program where 10 Business Capacity Owners (BCOs) were inducted as Landstar Roadstars, 122 as One Million Milers, eight BCOs as Two Million Mile Safe Drivers and one BCO as a Three Million Miler.

The select group of 2016 inductees were recognized for their outstanding safety records and professionalism behind the wheel. Turn the page to read more about the Class of 2015 and the All-Star Celebration. ★

Winner of the 1st Truck Giveaway of 2016 Didn't Expect to Win

Landstar President and CEO Jim Gattoni hands over the keys to Landstar BCO Frankie Hill

Landstar Million Mile Safe Driver Frankie Hill wasn't able to attend this year's All-Star Celebration in Orlando, Florida, but when it came time to draw BCO names for the first truck giveaway of 2016, Hill's came up!

Landstar Field Safety Manager Jared Fritts stood in for Hill when the time came to turn the keys in the mock trucks during the event, while Hill waited on the phone from Galax, Virginia, to listen live as it was taking place in the Orlando ballroom.

Moments before Fritts turned the key, Hill says he told his wife Mary, "I won't win, I never win anything!" And as soon as he said it, Hill learned that he was the winner!

The entire Hill family, including their dog "Chicko," headed to Jacksonville to pick up the brand new truck just a few days after the celebration. Find out what Hill thinks now that he's driven his 2017 Galaxy Silver Peterbilt 579 by reading the next edition of Landstar's *Road to Success* magazine. ★

Durbin Recognized with 2016 BCO Lifetime Achievement Award

Landstar Roadstar and Three Million Mile Safe Driver Fred Durbin was honored during the 2016 BCO All-Star event with Landstar's highest honor – the BCO Lifetime Achievement Award.

To be considered for this award, which was first introduced in 2012, BCOs must meet certain minimum standards:

- Nominees must be an active or retired Landstar BCO who has been or was leased to Landstar for 20 consecutive years.
- Nominees must be a Landstar Two Million Miler
- Nominees must be a Landstar Roadstar
- And Nominees must have consistently demonstrated professionalism throughout his or her trucking career by developing a reputation for positive interaction with regulatory and enforcement personnel, customers, agents and Landstar employees, as well as through industry recognition.

This year's recipient, Fred Durbin,

has been a part of the Landstar family since the beginning. Over the years, he has received many recognitions for his dedication to the industry and to Landstar.

Fred has received 37 annual safe driving awards with Landstar. In 2010, he received the National Safety Council's Safe Driver of the Year Award. The National Safety Council's annual award recognizes outstanding drivers throughout the country who have logged significant time and miles behind the wheel without preventable accidents. In 2008, the year he was named a Three Million Miler – he also won the Landstar truck giveaway, which he still drives.

Congratulations and thanks to Fred for many years of dedication, excellent service and safe driving. ★

Landstar's Cross Border Logistics Center being built in Laredo, Texas

Construction continues on the new Cross Border Logistics Center being built in Laredo, Texas. The walls are now up on the 31,000 square foot center, which is located on a 50 acre site in the heart of the Mines Road business district in Laredo, Texas.

"The new facility will serve Landstar's capacity, agents and customers as we continue to grow our Mexico services," said Landstar Executive Vice President of Operations

Eric Meyer. Those service offerings include truck, rail, LTL, customs brokerage and freight forwarding.

Under construction is a 30-bay cross dock and transload facility, a 120-ton stand-alone bridge crane, as well as a spacious lounge and media center for Landstar BCOs and capacity providers. Landstar's Cross Border Logistics Center is progressing on schedule to be completed by the end of 2016. ★

LSOs of the Month

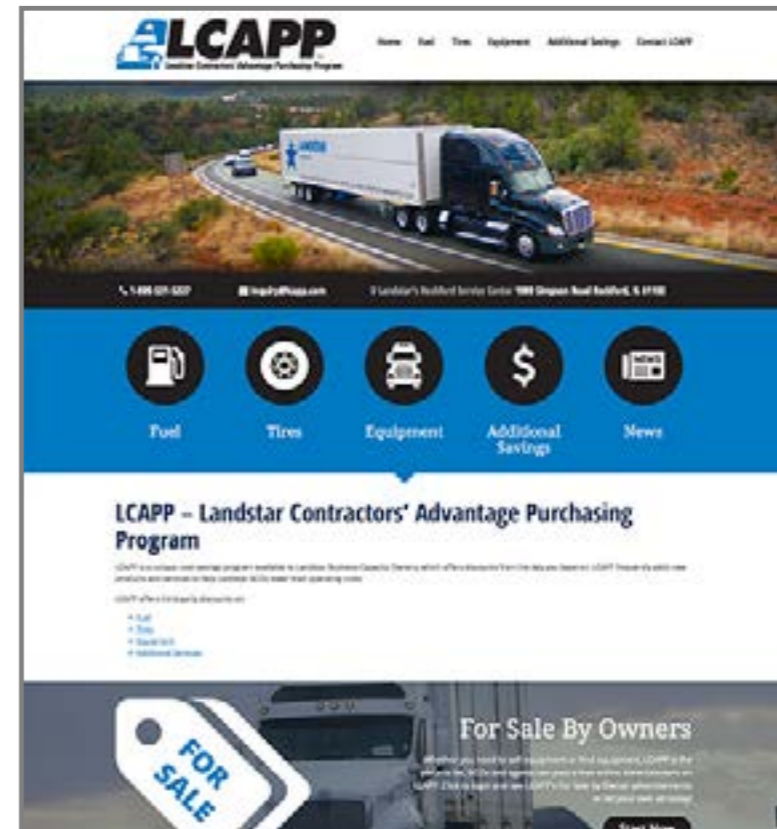

Congratulations to **Patsy Armour** of the MPH agency in Southaven, Mississippi. Armour was selected as the April 2016 LSO of the Month. The Region 6 agency has dispatched over 430,000 miles without a preventable accident. Armour and her staff dial in on Safety Thursday, are involved in area LSO safety meetings and participate in the M.U.S.T. customer program. Congratulations to Armour and everyone at the MPH agency.

Michael Jerasa of the SJM agency in Bessemer, Pennsylvania, was selected as the May 2016 LSO of the Month. Jerasa has been a Landstar agent for just over a year and has already embraced Landstar's safety culture by attending each and every LSO meeting, regularly participating in the Landstar Safety Thursday Conference Calls and hosting a M.U.S.T. customer visit. As a former driver, he encourages his staff to share a strong safety message with each and every operator they dispatch. Congratulations to Jerasa and his staff at the SJM agency.

The PRT agency's **Dan Galloway** was selected as the June 2016 LSO of the Month. Galloway and his staff hosts Landstar's Safety Thursday Conference Call each and every month at the Jubitz Truck Stop. He also attends all of the Region 8 safety meetings, and participates in the M.U.S.T. customer program. The agency's dedication to safety certainly shows with zero percent accident and cargo claim frequencies. Congratulations to Galloway and his staff for their outstanding commitment to safety. ★
