

## **Commitment to Health and Safety**

Safety comes first at Landstar. The Company is dedicated to safe operations and every employee is expected to participate and contribute. While service is an important part of our business, safety should always come first.

The Company is committed to providing and maintaining a safe and healthful workplace for its Employees, in conjunction with the Company's EHSS (Environmental, Health, Safety & Security) Policy. The Company attempts to ascertain and comply with all Occupational Safety and Health Act (OSHA) standards applicable to the work being performed by the Company and to the U.S. Department of Transportation safety requirements. The Company trains employees and management personnel with respect to these laws and regulations.

Safety is everyone's job at the Company. Employees should work together to make the Company a safe and healthful place to work.
