Landstar Named 2018 Company of the Year

Landstar is being named the Traffic Club of Philadelphia's (TCP) 2018 Company of the Year.

Landstar Transportation Logistics' Al Reisman, executive vice president of the Northern field division, is accepting the recognition during the TCP 110th Annual Dinner to be held in Philadelphia on Jan. 25.

The award recognizes Landstar's contributions to shipping and logistics in the Philadelphia area. For nearly three decades Landstar has been a strong supporter of the transportation club's mission to promote transportation and logistics by creating networking opportunities and granting educational scholarships for students studying the industry. ★

Landstar Ranked Largest Specialized Transportation Company in North America

Once again, Landstar Transportation Logistics is No. 1 on the *ACT* Transport 50 list. Landstar Transportation Logistics is on top of the *American Cranes & Specialized Transport's* (ACT) 2017 rankings of North America's largest specialized transportation companies. The list appears in the December issue of the trade publication.

This is the seventh consecutive year Landstar Transportation Logistics held its first-place ranking.

"The variety of capacity in the Landstar network, coupled with some of the industry's best heavy/specialized owner-operators, allows Landstar to serve as a premier provider year after year," says Rusty Cody, Landstar Transportation Logistics vice president of heavy/specialized hauling and intermodal services. "We appreciate the recognition as a leader in the heavy haul and specialized transportation industry."

Each year ACT ranks the North American transportation sector by fleet size, total maximum transport capacity and transport systems in a company's fleet.

Landstar also was listed on the *International Cranes and Specialized Transport* (ICST) 2017 Transport 50. Landstar ranks fifth among the world's largest specialized transport companies. The Transport 50 rankings are calculated using the total carrying capacity in metric tons of all specialized transport equipment in a company's fleet. ★

Safety Management Council Awards

Landstar's low Department of Transportation (DOT) reportable accident rates helped to earn two fleet safety honors from the American Trucking Association (ATA) Safety Management Council.

Landstar Express America received second place in the miscellaneous line-haul division for unlimited miles, while Landstar Inway was awarded third

place in the truckload division in the over 250 million miles category.

Landstar Transportation Logistics Director of Safety Services Melanie Evans accepted the awards in November 2017 during the ATA's annual Safety, Security and Human Resources National Conference and Exhibition held in Memphis, Tennessee. ★

2018 Hat Pin Sale to Support BCO Benevolence Fund

The 2018 BCO Benevolence Fund hat pin will be on sale during each of the Landstar BCO Appreciation Days events throughout this year. The collectable pin is sold for \$20 to raise money for the fund, which provides financial assistance to qualified independent Landstar owner-operators in hardship situations.

Last year, there were 24 applications for financial help submitted to Landstar's BCO Benevolence Fund by business capacity owners (BCOs) seeking assistance with medical bills, health and insurance costs, funeral expenses, and issues related to the devastating 2017 Atlantic hurricanes in September. To answer the urgent need for help in the wake of Hurricanes Harvey and Irma, Landstar owner-operators, agents and employees made donations to the BCO Benevolence

Fund. Between those contributions totaling \$2,879 and matching contributions from Landstar, the overall contribution for the month of September came to \$5,758. Over the entire year of 2017, BCOs in need received \$22,500 in assistance.

The fund was established in 2005 to distribute financial assistance to qualified BCOs who do not have the assets to meet their existing financial obligations and/or immediate basic living expenses for their families. Landstar BCOs and truck operators employed by Landstar BCOs, and their immediate family members, are eligible to receive assistance from the fund.

To find out if you qualify, to apply or to assist with Landstar's Benevolence Fund email bcofund@landstar.com or call 800-872-9541. ★

The BCO Benevolence Fund Inc., is a nonprofit corporation and is recognized by the Internal Revenue Service as an organization exempt under Section 501(c)(3) of the International Revenue Code. Contributions to the fund are tax deductible. The BCO Benevolence Fund Inc., was founded by Landstar System, Inc. and its affiliated companies ("Landstar"). The fund is a public charity that is separate and independent from Landstar. Teaming Up to Teach Safety Around Trucks

Landstar business capacity owners (BCOs) and agents stepped up and teamed up to teach dozens of students across America safe driving techniques. Throughout 2017, several members of the Landstar family provided valuable

no-zone safety education to drivers of all ages regarding how to share the road safely with large vehicles.

In October, Landstar BCO Gary Buchs joined State Farm in educating students about no-zones during the 2017 Teen Driver Safety Fair in Chicago, Illinois. During the event, Buchs spoke before approximately 650 high school students about the importance of staying vigilant while driving near a big truck and not spending time in a vehicle's blind spot.

Landstar BCO Brian Ormsby and Landstar Agent Millie Aprim (BRT agency) teamed up to present the No-Zone program in December to more than 200 middle school students in Riverview, Florida. At Winthrop Charter School, Ormsby set cars up in his truck's blind spots to demonstrate the potential dangers of driving in a no-zone. After the demonstration, the BCO answered student questions about safely driving near large commercial vehicles.

Landstar BCOs Bob and Linda Caffee took their truck to South Carolina in December to educate some Girl Scouts about truck safety and the transportation industry. The team drivers met with two dozen Girl Scouts and their leaders during the event in Fort Mills, South Carolina. The group toured the Caffees' truck and the BCOs answered questions from the group.

Landstar agents and BCOs who are interested in organizing a No-Zone program demonstration in their community should contact the safety department at 800-435-2132 and ask to be connected with the field safety manager in your area. ★

LSOs of the Month

Safety is a top priority for Landstar Agent **Steve Seley** and that shows in stats associated with his Syracuse, New York agency. Seley Enterprise LLC (SSS agency) has no cargo claims and no preventable accidents. Seley, who was named LSO of the Month in November 2017, supports Landstar's safety culture by hosting an annual safety meeting and by dialing in for the Safety Thursday Conference Call each month. Congratulations to Steve and his team!

Ray Mogensen was chosen as the December 2017 Landstar Safety Officer of the Month. Mogensen and his team at Continental Western Logistics located in Mesa, Arizona, booked over 5 million miles with Landstar BCOs during 2017. The team at the TAZ agency regularly supports Landstar's safety culture by practicing Complete and Accurate Dispatch procedures and educating each operator on their customer's requirements. Congratulations!

The terminal manager at the Roxanne Lemoine Agency in Plaucheville, Louisiana, **Joel Lemoine**, was selected as the January 2018 Landstar Safety Officer of the Month for his customer dedication. At least one customer visit under the Mutual Understanding of Safety Together (M.U.S.T.) program led to a follow-up safety meeting and a customer request to help establish a safety plan. Lemoine says M.U.S.T. customer topics discussed included the ELD mandate, proper securement, and loading and unloading procedures. ★

Landstar Delivers Birthday Surprise

Together, a Landstar agent and a Landstar BCO gave a 13-year-old boy named Oliver a birthday gift he won't soon forget.

On one side of Oliver's home in Nashville, lives Landstar Agent Terry deHaan, and on the other side, lives BCO Timothy Upchurch. deHaan says she learned from Oliver's mother that the boy is crazy about all things trucking, that he watches their street for Upchurch's big rig as it enters the neighborhood, and he wants to be a professional driver someday.

So, for Oliver's 13th birthday, deHaan decided to arrange a meeting between Upchurch and one of his biggest fans.

"I had met Tim just before that and I knew that, as a successful BCO, he was always out on the road," explained deHaan. "I wasn't sure if he could slow up long enough to make a surprise happen for our young neighbor."

But Upchurch did, and he didn't just slow up, he showed up.

"When I arrived at Oliver's house I blew the air horn and I saw his head stick out of his front door," said Upchurch. "He was totally surprised and his reaction was great. I saw his eyes get big from my driver seat, he was grinning from ear to ear."

Oliver ran outside to see Upchurch and the truck. Upchurch even went the extra mile to get Landstar's permission to give Oliver an in-depth tour inside of his 2017 Volvo 780.

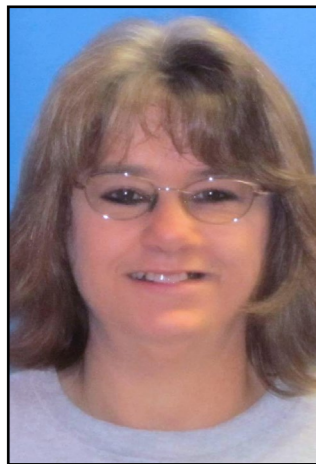

"We also gave him a model Landstar truck, and he turned to his mom and told her when he turns 16 he wants a real big truck," laughed Upchurch.

"This ended up being more than just giving a neighbor a birthday surprise," explained deHaan. "I was honored to be part of this experience, where two Landstar colleagues, working together, made a young man's dream come true."

Upchurch leased on to Landstar in 2012. deHaan runs Sundance Truck Services, Inc. (PCF agency), in Nashville, Tennessee. ★
